I'm Addicted To You

By Art Tools

VERSE 1

`|E/A/|XXXX|E/A/|XXXX|E/A/|XXXX|E/A/|A////|`

Where do I even start
It's tearing me apart
It's gonna break my heart
So won't you come and answer me
It might just be a bug
Makes me feel warm and snug
I'm giving you a tug
So won't you come and answer me

CHORUS

`|A///|D/E/|A///|D/E/|A///|D/E/|E///|A///|`

C'mon can't you see
It's just so clearly true
What have you done to me
I'm addicted to you

VERSE 2

`|E/A/|XXXX|E/A/|XXXX|E/A/|XXXX|E/A/|A////|`

It's gonna be a while
Before I go that mile
I'm gonna crash in style
So won't you come and answer me
You know we come in two
Am I even getting through
I'm callin' out to you

So won't you come and answer me

CHORUS

`|A///|D/E/|A///|D/E/|A///|D/E/|E///|A///|`

C'mon can't you see
It's just so clearly true
What have you done to me
I'm addicted to you

```
|am / / G|F / / G|am / / G|F / / G|
|am / / G|F / / G|E / / / |E / / /|
```
Why can't you leave me alone
Why can't I pick up the phone
They think we all should fly
But all I can do is try

How can I ever atone
It chills me down to the bone
Who will right our wrongs
Until then I'll sing this song

CHORUS

```
|am      |C      |F      |D      |  (x4)
```
Who needs society?
Something has died in me
Nothing important will ever be
I am still as a standing tree-

VERSE 2

```
|am / / G|F / / G|am / / G|F / / G|
|am / / G|F / / G|E / / / |E / / /|
```
Where should I go
i'm not your average joe
What should I do

no inside voices ring true

I can't live like this
something feels amiss
When I'm without purpose i feel
like my sadness can't heal

|am |C |F |D | (x4)
Who needs society?
Something has died in me
Nothing important will ever be
I am still as a standing tree-

Into the dark and out of the blue
This is the song and I wrote it for you

CHORUS

My thoughts are fleeting
Your face is the only comfort to my mind
My heart is beating
My thoughts are fleeting
Without your company, I would be blind

When you're gone I feel alone
It really throws me out of my zone

Time without you seems twice as long
Being alone is not super fun
But being with you makes me happy a ton
